## Results for Learning Camp- Hamirpur Govt.Model School Dar Session 2016-17

**INTRODUCTION-** Govt. Middle School Dar is situated in Gram Panchayat Kashmir tehsil Nadaun Distt. Hamirpur Himachal Pradesh. This School came into existence as Govt. Primary School in the year 1969. Many good administrators, Lecturers, social workers and soldiers in Indian army are product of this School. After long time this School was upgraded to Govt. Middle School Dar in the year 2007. This School flourished and contributed to spread the light of education in society with the team of hardworking teachers & benevolent social workers. But with the mushrooming of so called Public Schools, attitude of the parents changed and after the year 2001 trend of decline in enrollment started & continued till 2015-16, when enrollment in Primary Section reduced to 18 and in Middle Section it reached to 12. This was a matter of serious concern to the Social workers & well wishers of the area. Parents preferred so called Public Schools due to the reason of quality education & shortage of teachers in Primary Section. There were 2 teachers in Primary & 5 in Primary Section.
