Subject: Instructions regarding updation of teacher's data on UDISE+.

Sir,

As you are aware, UDISE+ is moving towards real-time data entry. This means that any joining, relieving, retirement, or promotion of teachers must be updated regularly. It has come to the notice of undersigned that the relieving and joining dates of teachers are not being entered accurately as per the school's records. This results in inconsistencies and mismatches in the data.

It is the responsibility of the Principals, Headmasters, CHTs, HTs, and School Heads to ensure that the relieving and joining dates align with the records maintained at the school level.

In view of the above, you are requested to enter the exact dates of teachers during joining, relieving, retirement, and promotions. This will ensure the teacher's teaching journey on UDISE+ is accurately recorded for future reference.

Yours faithfully,

State Project Director (SS),
Himachal Pradesh, Shimla-1.
